The screenshot shows the BMI Tracker & Calculator application window. On the left, the 'Input Data' panel contains fields for Name (Name: วีไล), Weight (kg: 54), and Height (cm: 170). A blue button labeled 'Calculate & Save BMI' is visible. Below these fields, the 'BMI Result: 18.69' is displayed in green, followed by the category 'Category: Normal weight (ปกติ)'. On the right, the 'Delete Record' panel shows a text input field with 'Record ID ที่ต้องการลบ: 0' and a red 'Delete Record' button. A note at the bottom states '\*\*กรุณากรอก ID จากตารางบันทึก\*\*'. At the bottom of the main window, a table titled '--- ประวัติการบันทึก (Latest 10 Records) ---' lists three records. The third record (ID 6) has a status message: 'Success' with a blue info icon and the text 'BMI Calculated (18.69) and record saved successfully!'.
